Congratulation Letter

Dear Dr Tommy Ho,

Congratulation to the Tenth-Year anniversary of the HKIOE. Your hard works contributed to the successful establishment and continual prosperity of the HKIOE in the past 10 years.

I wish your Institute a great success in the coming future. Your committed efforts and your significant contributions are indispensable to the continual development of HKIOE. Our Association will try every endeavour to ensure a win-win situation to be established between us. We will work together to strive for our collaboration in order to deliver a valuable service to our community at large.

Once again, I congratulate the ever success of HKIOE in the past 10 years.

You sincerely,

On behalf of the GHM Fire Safety Association
