Dear Dr. Tommy Ho:

RE: Congratulation on HKIOE's 10th Anniversary

It is my great pleasure to express my most profound appreciation and respectful congratulation to the Hong Kong Institute of Environmentalists (HKIOE) on her 10th Anniversary.

As an educator at the University of Hong Kong, I am honored to witness many of my former students have significantly benefited from HKIOE and later become members of HKIOE. Over these ten years, HKIOE has solidly provided leading specialists in the region with reliable and high-level service quality.

I thank HKIOE for her long-term contributions and continuing cooperation with us. I firmly believe this excellent relationship and operating model will further bring more successful developments and prosperity to HKIOE's future endeavors.

Yours Sincerely,

Professor Kaimin Shih
