Dear Dr. Ho,

Re: Congratulation on HKIOE's 10th Anniversary

It gives me great pleasure to congratulate the Hong Kong Institute of Environmentalists on the occasion of its 10th Anniversary.

Over the past decade, the HKIOE has made significant achievements in environmental conservation in Hong Kong and enhancing the profession of environmentalists.

I would like to take this opportunity wishing you every success in the years ahead. With the dedication of your members, I am sure HKIOE will continue to make valuable contributions to the community.
